Bir Lehlu (Sahrawi Republic), Dec 24, 2021 (SPS) - The Sahrawi People's Liberation Army (SPLA) carried out new attacks against the Moroccan occupation forces along the Wall of Shame on Thursday.

According to War Report No. 406 of the Ministry of National Defense, units of our army have bombed enemy positions in the Fadrat Abruk region, Hauza sector. In addition, Wednesday, other detachments had concentrated their artillery fires against the positions of the Moroccan occupation forces in the Laagad, Sabjat Tanuchad and Um Dagan regions, in the Mahbes and Bagari sectors, respectively.

Likewise, the War Report highlights that the SPLA attacks and bombardments continue to cause considerable human losses in the ranks of the Moroccan occupation forces along the Wall of Shame.SPS
