Bir Lehlu (Sahrawi Republic), Dec 23, 2021 (SPS) - The units of the Saharawi People's Liberation Army (SPLA) have attacked several positions of the Moroccan occupation forces along the Wall of Shame on Wednesday.

According to War Report No. 405 of the Ministry of National Defense, Wednesday, units of our army carried out concentrated bombardments against the Moroccan occupation forces, which have caused panic in the ranks of the enemy soldiers in the following positions:

- The Laagad region, in the Mahbes sector.
- The Sabjat Tanuchad region, in the Mahbes sector.
- The Um Dagan region, in the Bagari sector.

The War report also reports that SPLA detachments had concentrated, Tuesday, their artillery fires against the positions of the enemy forces in the regions of Fadrat Labeir, Fadrat Al-Ich, Taraganit, Galb An -nas, Asteilat Uld Bugrein, Udei Adamran and Udei Um Rakba, in the sectors of Farsía, Hauza, Auserd and Mahbes, respectively.SPS
