

SPLA attacks against the occupation forces in the sectors of Mahbes and Um Dreiga

SPS 24/11/2021 - 11:29

Bir Lehlu, Nov 23, 2021 (SPS) The units of the Saharawi People's Liberation Army (SPLA) have carried out new attacks against the Moroccan occupation forces positioned in the sectors of Mahbes and Um Dreiga.

According to War Report No. 376 issued by the Ministry of National Defense, detachments of our army carried out concentrated bombardments against enemy positions in:

- The Tajalit region, Um Dreiga sector.
- The Guerat Uld Blal region, Mahbes sector.

The War Report also reports that the attacks and shelling by the units of the Saharawi People's Liberation Army continue unabated, leaving considerable human and material losses in the ranks of the Moroccan occupation forces along the Wall of Shame. SPS
