Bir Lehlu (Saharawi Republic), Dec 21, 2021 (SPS) - The units of the Saharawi People's Liberation Army (SPLA) concentrated their attacks against the Moroccan occupation forces in the regions of Hafrat Achiaf, Galb An-nas and Gararat Al-Firsik in the Bagari, Auserd and Mahbes sectors, respectively.

According to War Report No. 403 made public by the Ministry of National Defense, advanced detachments of our army concentrated their bombardments against the positions of enemy soldiers in the regions of Hafrat Achiaf and the south of the same region in the Bagari sector. , while other detachments ravaged enemy positions in the Galb An-nas region, in the Auserd sector, on three consecutive occasions

The War Report also adds that other SPLA advance units had attacked the positions of the Moroccan occupation forces in the Gararat Al-Firsik region, in the Mahbes sector.

In this sense, the War Report also informs that the units of our army had concentrated, Sunday, their artillery fires against the enemy forces in the sectors of Auserd and Mahbes, particularly the regions of Targanit, Arbeyab Alгаа, Lagteitra, Adeim Um Ajlud, Ameitir Lamjeinza and Sabjat Tanuchad, causing fear and panic in the ranks of enemy soldiers.SPS
