Bir Lahlou, 25 October 2021 (SPS) - Sahrawi People's Liberation Army launched new attacks targeting the Moroccan occupation forces' positions and military installations behind the sand wall, according to military statement No. 346 issued Sunday by the Ministry of Defense.

The statement said that "advanced detachments of the Sahrawi army bombed Saturday and Sunday the Moroccan occupation forces' entrenchments in the areas of Akrara Lahdeed in Al-Farsiya sector, Domes in Bakari sector, Odi Al-Dhamran and Abirat Tanushad in Al-Mahbas sector, Atwagil in Um Adrika sector, and Kaleb Al-Nass in Awsard sector, where plumes of smoke were seen rising from the targeted occupation base.

On Saturday, advanced detachments of the Sahrawi army targeted positions of the Moroccan occupation forces in the sectors of Bakari, Awsard and Al-Mahbas, according to the statement.
