

SPLA units attacks Moroccan occupation forces entrenchments

SPS 02/12/2021 - 16:31

Bir Lehlu (Sahrawi Republic), Dec 01, 2021 (SPS) - Units of the Sahrawi People's Liberation Army (SPLA) carried out yesterday concentrated attacks against the entrenchments of the Moroccan occupation forces along the Wall of the Shame.

According to War Report No. 384 of the Ministry of National Defense, Wednesday, December 1, 2021, units of our army bombed various enemy positions in the following regions:

- Tajalit At-Talah, in Um Dreiga.
- Udei Adamrán, in Mahbes.
- The headquarters of the command of the 43rd Regiment located in the Ameitir Lamjeinza region, in Mahbes.

The War Report also reports that the SPLA units had concentrated their artillery fire Tuesday against various enemy positions in the regions of Agajgal Dirit, Laagad and Guerat Uld Blal, in the sectors of Hauza and Mahbes, respectively.SPS
